

HAMMEL TENNIS CAMPS 2019

Welcome!

At the Hammel Tennis Camps we love teaching children to play tennis!

It's exhilarating to see young players grow as individuals in the process of learning and improving their tennis games. We've created an exciting program that successfully integrates a commitment to excellence, daily lessons in good sportsmanship, and a high-spirited atmosphere of fun. Our camp is beginning its 47th summer of fun and learning. Our experience combined with positive impact elevates a young player's tennis game. Hammel campers are coached in all aspects of the game - strokes, speed & footwork, strategy, physical conditioning, and mental skills.

Teaching students to understand the subtle nuances as well as the basic concepts of tennis makes the sport fun and ensures optimal improvement. Making progress toward an exciting goal, taking on challenges, and working hard in a fun and inspiring atmosphere is what the Hammel Tennis Camps are all about! Joining a Hammel Tennis Camp for a week can make a world of difference!

We hope to see you on the courts this summer! - Laury Hammel

Hammel Tradition

Tennis is in Laury Hammel's blood. His mother and father are life-long tennis players, coaches, have achieved high ranking and are members of the Utah Tennis Hall of Fame. In fact, the Hammels' were USTA Family of the Year in 2000! Laury has been a competitive tennis player for over 59 years and has consistently earned sectional ranking in junior and open divisions. In senior play, he has earned several national ranking and has been #1 in New England in six divisions.

Laury has coached hundreds of juniors to national ranking and is a cutting edge innovator in tennis technique and philosophy. Many of his ideas once thought as unorthodox are now accepted as standards in the teaching profession. He is a nationally recognized coach, industry leader, and speaker.

In 2004, Laury was inducted into the New England Tennis Hall of Fame.
